

IT900

BATTERY-POWERED INDOOR ELECTRIC TUG
TO PULL LOADS **UP TO 3000 KG***

ZERO EMISSIONS

QUIET

LOW MAINTENANCE

Tilting tiller with micro safety switch and automatic return to the rest position

Butterfly throttle, easy speed control with one hand, with hare / turtle switch in the tiller head

Battery charger on board, display with light indication of charge status

Pivoting wheel allows a minimum of space to steer

MADE IN ITALY

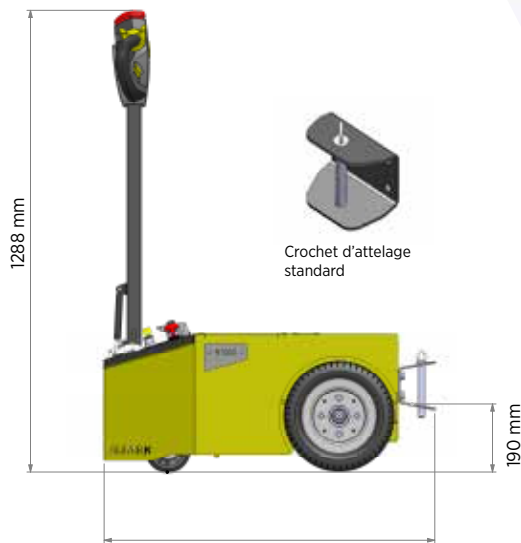

The IT 900 is a towing equipment, with three wheels and tiller steering. It is designed to easily move trailer trolleys and other containers on wheels, in safety and comfort, reducing physical stress and improving productivity. Many configurations are possible by choosing among different types of batteries and tires. It can be fitted with several hooks that make the standard product adaptable to many uses.

FEATURES

Equipment body	3 wheels
Driving wheels on differential	Garden type polyurethane filled
Driving control type	Tilt tiller
Accelerator	Butterfly type
Hook height (3)	About 135 mm, 190 mm, 245 mm
Battery charger	On board, 13A High Frequency
Dashboard display IT1200	Remaining battery charge, Remaining battery charge, equipment failures and Hour meter
Parking brake	Electromagnetic with the possibility of release
AGM Batteries	2 x 12V/85 Ah C20
Electric motor IT900 IT1200	24V/900 watt S1 24V/1200 watt AC S2 60 min.
Product net weight	175 kg abt

PERFORMANCE

Weight movement capacity on flat surface up to*	3000 Kg
Pulling speed	
Fast	5 Km/h abt
Slow	2,5 Km/h abt
Pushing speed	
Fast	3 Km/h abt
Slow	1,5 km/h abt
Battery recharging time	8 hours abt

*The weight movement capacity is an indication., that can change with different machine fittings and working conditions (type of ground,wheel type,use of ballast,etc.)

Features shown are subject to change without notice

ACCESSORIES

Support on the tug top with hook

Trailer mount and ball

Different hook types

Clamp for trailer trolleys

Squared tube hook

Ballast support

Ballast

Flashing light

Anti dumping wheel frame with additional hook heights

Different battery types
